Dear Mr. Izzo:

Matanuska Electric Association, Inc. (MEA) filed TA537-18 on February 28, 2022, seeking to update its retail sales totals and nameplate capacity of interconnecting net metering customers to reflect 2021 data.¹ On March 17, 2022, the Regulatory Commission of Alaska approved Tariff Sheet No. 60.1, filed February 28, 2022, by MEA with TA537-18. The effective date of the tariff sheet is April 14, 2022.

For the net metering filing due by March 1, 2023, utilities participating in the net metering program are again directed to include additional data in the tariff advice letter. The additional information requested is: (1) total number of customers per customer class, (2) total number of customers per type of renewable generation, (3) total nameplate capacity per type of renewable generation, and (4) total energy (kWh) fed into the grid per type of renewable generation.

Enclosed is a validated copy of the approved tariff sheet. Please note that the effective date has been added to the bottom right corner of the tariff sheet.

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA

Cameron Rollins
